

DOWNLOADING TIPS

To download a reading audio:

Readings that have an audio are marked AUD (we will be adding audio to most all non-personal readings).

- 1) On the “play” arrow at the left on the audio bar, right click
Mac users without a mouse:
 - hold the “control” button and click on the play arrow, **or**
 - put your cursor on the play arrow and click/tap trackpad with two fingers
- 2) Choose "**save audio as**"...

To download a transcript (or any number of readings your choose, doesn't have to be done reading by reading)

- 1) click on the reading you want to download
- 2) click add to cart
- 3) continue that process for any other reading or any number of readings you want
- 3) click “View Cart”
- 4) click “Proceed to check out” **These readings will be marked \$0.00 in your cart.**
- 5) click “Place order”

The readings will appear in an email for you to download to your computer
